GENERAL INFORMATION

GENERAL INFORMATION

Global Gateway University (GGU) is a private, non-profit, international institution of higher learning. With the main campus in the St. Louis metropolitan area city of Wentzville, Missouri, the University offers residential education, intensive seminars, and e-learning/distance education opportunities.

Global Gateway University is committed to provide students outstanding learning opportunities in an environment of rigorous academic work, which prepares them for success in their chosen fields of ministry.

HISTORY

The International Evangelical Association was founded in 1983 with the purpose of furthering international evangelism, world missions, and Christian education as emphasized in the Great Commission of Jesus Christ in Matthew 28:18-20.

IEA was founded as the educational sector of I.E.A. in May 2007. The purpose of I.E.A. is to train persons called by Christ for leadership training and missions. I.E.A. recognized a need for special education training, therefore, Global Gateway University was founded. Global Gateway University began academic educational programs designed to equip persons called by Christ to serve in churches, mission fields, and Christian universities as well as public and private organizations. GGU offers diplomas, Bachelor, Master, and Doctoral degree programs.

BIBLICAL FOUNDATIONS STATEMENT

ARTICLE I - THE BIBLE

We believe that the Bible is the verbally inspired Word of God, wholly without error as originally given by God, and is sufficient as our only infallible rule of faith and practice as a Christian (II Timothy 3:16; II Peter 1:19-21).

ARTICLE II - CREATION

We believe in the creation of the existing space-time universe and all its basic systems and kinds of organisms in the six days of the creation week as described in Genesis. God directly created the universe, including life, apart from any pre-existing materials (Genesis 1:1-2:3).

ARTICLE III - HISTORICITY

We believe in the full historicity and lucidity of the Biblical records of primeval history, including the literal existence of Adam and Eve as the progenitors of all people, the literal fall and resultant divine curse on the creation, the worldwide cataclysmic deluge, and the origin of nations and languages at the tower of Babel (Genesis 1:1-11:9).

ARTICLE IV - THE TRINITY

We believe in the triune Godhead, eternal, transcendent, omnipotent, personal God existing in three persons; i.e., Father, Son, and Holy Spirit.

ARTICLE V - GOD

We believe in the one true and living God, the creator and sustainer of all things. He is infinite, eternal, and unchangeable. He is revealed to us as Father, Son, and Holy Spirit. The Father is the head of the Godhead. He is worthy of honor, adoration, and obedience (I Chronicles 28:10-13).

ARTICLE VI - JESUS CHRIST

We believe that Jesus Christ is the image of the invisible God, born of the Virgin Mary, was tempted in all points, yet without sin. He died on the cross to redeem man, rose again from the dead to justify the believer, and ascended to the right hand of God the Father where He intercedes for the believers (Matthew 3:17, John 1:1,14; I Corinthians 15:3-4).

ARTICLE VII - THE HOLY SPIRIT

The Holy Spirit is the One sent from God to convict the world of sin, of righteousness, of judgment, and to regenerate and cleanse from sin. He is resident in believers to guide, teach, and strengthen them (John 1:33; Romans 14:16).

ARTICLE VIII - MAN

We believe that man was created in the image of God. Adam and Eve were tempted by Satan and sinned. Because of this, men have been born in sin since that time and are by nature the children of wrath. Man cannot save himself. Only the Lord Jesus can save him. (Genesis 3:1-6; Romans 3:10-19)

ARTICLE IX - SATAN

We believe that Satan is a personal devil who rebelled against God, and with his angels, carries on the work of iniquity in this world. We believe that Satan is the deceiver who tempts men to sin. Sin is basically rebellion against God, and the end of sin is eternal separation from God (Matthew 4:1; 25:41; John 8:44).

ARTICLE X - SALVATION

We believe that Jesus Christ is the only Savior from sin. He atoned for our sins on the cross and rose again for our justification. Apart from Jesus Christ there is no salvation. All men are under condemnation through personal sin, and escape comes only through the righteousness of Jesus Christ. The Holy Spirit regenerates the one who, by faith, makes a life commitment to Jesus (Romans 3:23-25).

ARTICLE XI - THE CHURCH

We believe that the New Testament church is a voluntary association of baptized believers in Christ who have covenanted together to follow the teaching of New Testament doctrine, worship, and practice. We believe that a church is a democratic organization served by pastors, elders, deacons, and evangelists (Ephesians 1:22-23; I Timothy 3:1-13).

ARTICLE XII - RESURRECTION

We believe in the final resurrection of all men, just and unjust. We believe that those who commit their lives to Jesus Christ during this life on earth will be raised to everlasting life, but those who are not committed to Jesus Christ in this life will be raised to everlasting condemnation (Matthew 28:6-7; I Corinthians 15:4, 51-53; Acts 1:9-11; I Thessalonians 4:13-18; Revelation 3:21; Revelation 20:1-6).

ARTICLE XIII – LAST THINGS

We believe in the future, personal, bodily return of Jesus Christ to the earth to judge and purge sin, to establish His eternal Kingdom, and to consummate and fulfill His purpose in the works of creation and redemption with eternal rewards and punishment (Psalm 9:7; I Corinthians 15:51-58; 2 Peter 3:1-13; Revelation 20:11-15; 22:12).

MISSION STATEMENT

Global Gateway University (GGU) is an evangelical Christian institution of higher learning dedicated to the exploration, discernment, sustentation, and dissemination of God’s truth. Global Gateway is committed to excellence in education encouraging students to comprehensively consider God’s Word and work, to evaluate personal vocational ministries, and to assume Christian global responsibilities. Global Gateway University offers diploma, undergraduate, and graduate courses incorporating spiritual and ministry formation into a curriculum that has been developed for an inclusive, multi-lingual learning environment.

PURPOSE AND OBJECTIVES

Global Gateway University affirms its identity as a Christian University founded upon the beliefs that all “truth comes from God” and is authoritative, revelatory, and timeless. GGU provides an educational learning environment organized to offer students the opportunity to discover, understand, and act upon the truths of God revealed through Christ Jesus.

1. Provide training at the baccalaureate, master’s, and doctoral levels designed to equip students for a variety of Christian ministries.
2. Design curricula and practical experiences to help students develop cognitive skills, affective skills, and character qualities required to serve others.

Upon completion of academic studies each student should:

1. Know how to use principles of biblical interpretation.
2. Have the basis for the exegesis of Scripture for the purpose of dissemination of God’s truths.
3. Exemplify an understanding of biblical and systematic theology.
4. Have an understanding of contemporary global issues and their relation to scripture contexts.
5. Have the ability to define and apply the truths of God’s Word.
6. Have a working knowledge of the Church Body of Jesus Christ.
7. Have a keenly developed sense of commitment to serve Christ and mankind.
8. Have a philosophy and structure for ministry, Christian counseling, evangelism, Christian education, and Christian organization management.
9. Be firmly committed to global missions.
10. Have a personal devotional and spiritual growth plan.
11. Be committed to continuing education to further develop skills necessary to communicate the Word and will of God.

Global Gateway University offers academic programs in traditional residential, on-campus formats and non-traditional Distance Education formats. Distance Education opportunities encourage students to pursue higher Christian education while remaining in their places of ministry and employment. As many are currently involved in ministry, Distance Education motivates each student to apply principles learned through practical experience. Non-traditional Distance Education courses allow students to remain in the “marketplace” and study under the supervision and guidance of academically qualified and experienced faculty.

PHILOSOPHY

The pervasive quality of Global Gateway University is our commitment to know, to love, and to serve the God of Truth who unites faith and reason, grace and nature, the divine and human. The desire for a greater understanding of the creation and its Creator is one of the most profound expressions of man’s love of God. In this sense, to learn is to enhance one’s capacity for love so that the thoughtful and loving acts of a Christian educated person are a witness to the potential transformation of the world.

GGU graduates will be distinguished by their abilities to reflect learning, their abilities to act as ministers, and their desire to love in the name of Christ Jesus.

- *LEARNING*: Christian ministry necessitates the acquisition of knowledge in broad areas of thought and life, both within and beyond the Christian heritage. Through biblical, historical, theological, psychological, sociological, and ministerial studies, the student learns how to better understand God in relation to persons, persons in relation to God, and persons before God in relation to each other.
- *LIVING*: Ministry is the work of the total person; therefore, Global Gateway University seeks to aid the student in growing in Christian wholeness. The university believes that the development of stable and secure individuals who can live life in the spirit of Jesus Christ is a primary component of Christian education.
- *LOVING*: Personal commitment to serve Jesus Christ, as Lord is necessary for all Christian ministries. Loving forms a basis for one's maturity in all aspects of Christian commitment. As a person knows more about Jesus and His love and sacrifice for man, he or she will serve Him more effectively.

Global Gateway University believes that mankind was created in the image of God and was given the responsibility of caring for all things that God has created (Genesis 1:27). GGU believes that all people, regardless of gender, age, or ethnic group, have been given abilities and need guidance through education in developing those gifts from God.

Because of the need to develop a person's gifts from God through education, GGU has excelled in developing quality educational programs, providing systematic and comprehensive training in the Word of God from a Christocentric perspective. Therefore, it is imperative to have professors and staff members who are competent in their respective fields, who receive evaluation regularly, and who continually seek ways to improve professional skills.

The Christian philosophy of GGU is reflected in the Bible-centered curriculum taught by qualified, experienced, and dedicated faculty. GGU faculty selects academic resources authored by scholarly writers who maintain a commitment to the Bible as the divinely revealed guide for all people. The faculty encourages each student to learn, inquire, and explore without restraint. Academic freedom is encouraged in each classroom.

Therefore, GGU endeavors to preserve intellectual dialog among faculty and students so that teaching and learning may be experienced without fear of discrimination. Freedom of thought and expression are conducted within the parameters of sound scholarship and an appropriate framework of biblical foundations. Within the university's framework, the Board of Trustees determines personnel, administrative, and fiscal policies affecting the Christian atmosphere and life of the university for students, faculty, and staff.

ETHICS AND MORAL VALUES

As a distinctly Christian institution of higher education, Global Gateway University adheres to a strong belief that life values and ethics, as revealed in the Scriptures, must be integrated with academic instruction and organization. These ethics and values include a respect for the rights of others including the larger global community; a commitment to justice, mercy, and caring service; a desire for moral integrity; and an understanding of true Christian lifestyles. The moral values of GGU are expressed as ethical standards and are guided by the tenets of faith and service defined within God's Word.

Global Gateway University recognizes a responsibility to assist all members of the University family to grow spiritually, mentally, emotionally, and academically. The University, through spiritual growth programs for faculty, staff, and students, offers opportunities for learning, service, personal encouragement, and worship.

The selection of faculty, staff, and students committed to serve Jesus Christ is very important to achieve institutional values and ethical goals. The University selects respected professors that model Christian lifestyles and values. These lifestyles serve to instruct and guide students in their personal understanding of God's Word and how the Word is enacted in their daily walks. 2 Timothy 2:2: "And the things you have heard me say in the presence of many witnesses entrust to reliable men who will be qualified to teach others" (NIV).
