Welcome to GGU

Global Gateway University strives to challenge the world with educational programs characterized by vision, honesty and faithfulness, like Joseph who wholeheartedly trusted in God in his times of undeserved pains and hardships; like Paul, we also are to do our best for the timely missions granted by God with thanksgivings.

We are committed to build such important leadership that contributes to the enhancement of nations and societies by being valuable lights and salt for the world we live in. I invite you to be a part of the Global Gateway University family and explore opportunities to further advance your education and success in your careers.
